

Group Singing Activity

Music gives soul to the universe, wings to the mind and flight to a child's imagination. On 5th October 2018 the tiny tots of L.K.G were given a platform to showcase their talent through group singing activity. All the kids sang both english and hindi song with joyous glee. This singing activity is organised every year for the children to enhance their speaking and listening skills thereby acquiring confidence. This activity instilled a spirit of togetherness, cooperation and creativity in students which was appreciated by everyone.
