

Solo Song Activity-Class V

MUSIC is indeed a WAY OF LIFE. So it is rightly quoted that:

“Great Singers are not great because of their technique, they are great because of their passion.”

The Saturday morning in Montfort Auditorium echoed the beautiful melodies sung by the budding singers. The activity sprang to life with the perfect blend of a variety of song.

The performances were overwhelming and truly melodious. They were much appreciated by the esteemed judges of the day- Mr. Amit Sharma and Mr. Alwin Sabu.
